

FAMILY FUN RIDE

5TH JULY 2009

10:30AM

On Sunday the 5th July we are planning a family bike ride, which starts at the Scout Hall and follows a circular route through Belhus Park and the surrounding countryside. The route is traffic free and use 's the local bridleways and cycle tracks.

The planned route is approx 10 miles in length, 90 minutes cycling, and should be manageable by most cyclists. Scouts and Cubs can ride without their parents, however Beavers will need to be accompanied by an adult.

We are looking at some fundraising for this event and so are asking for a minimum sponsorship of £2 per family to participate. Any funds raised on this event will be matched £ for £ by a local company, so every donation really will count.

Please bring your sponsorship forms along on the day.

If you have any questions please do not hesitate to contact me.

Regards

Peter Flanagan
