1st November 2009

To Parents and Scouts,

Remembrance Sunday – 8th November 2009 St Michaels Aveley 9:50 am

On Sunday 8th November the Belhus Park Scout Group has been invited to join the Remembrance Day service, at St Michaels Church on the High Street, Aveley. In honour of the veterans who will be attending, we would like to show our support and provide a good turnout from the whole group.

We will be meeting at St Michaels, in full uniform at 9:45 am. There follows a short service followed by a wreath laying ceremony at 11:00 am.

Warm clothing under the uniform is recommended as some time may be spent standing outside at the service.

Whilst I understand that your children may have other activities planned on this day, their presence would be greatly appreciated. This will show the veterans that the current generation, and the wider community have not forgotten the sacrifices that they have made.

Thanking you in advance for your support at this event.

Regards

Beavers
